Special Adaptive Features

The red dots in the garment description correspond with the diagram to highlight the innovations that simplify assisted dressing.

Assisted Dressing

Garment is ideal for anyone with limited lower mobility requiring dressing while seated.

Independent Dressing

Garment is designed to give those with arthritis or limited dexterity the freedom to dress themselves.

Easy Assisted Dressing

The garment can be slipped on and easily drawn up to the shoulders while wheelchair users remain seated.

Easy Seated Dressing

Legs are inserted into the pant legs from a seated position and drawn up to the upper thigh. Elastic waist is comfortable for wheelchair users.

Easy Back Closure

Generous back overlap provides discreet coverage. Snap, VELCRO® or Easy Touch closures secure the garment and are gentle on fragile skin.
